

Engineers Foundation of Wisconsin

The Engineers Foundation of Wisconsin, (EFW) is organized exclusively for charitable, educational and scientific purposes to:

- Encourage students to consider engineering as a career
- Offer financial assistance and incentives in the form of scholarships
- Conduct and support programs for education in engineering such as MATHCOUNTS
- Instruct and inform the public and promoting engineering education

Contributions are fully tax deductible under Section 501(c)(3) of the IRS code.

Sponsored by the Wisconsin Society of Professional Engineers, the EFW awarded the following scholarships based on academic achievement, community involvement, and extracurricular activities:

EFW is funded solely through voluntary contributions. The trust balance is now over \$290,000 and we were able to increase the number and amount of the scholarships this year.

The earnings and new contributions fund the yearly scholarship disbursements.

The administrative expenses are very low.

99.9783% of the trust balance supports the mission of this nonprofit.
