September 2017

*Join Us for the ASSE/WSPE Golf Outing on Wednesday,
September 13!
Hope to See you There!*

Year Ahead

This year promises to be another busy year with social and technical gatherings, youth competitions, youth accolades and a professional development conference. We certainly hope that you will mark your calendar, plan to join us at any number of these events and we look forward to seeing you there!

NSPE/WSPE Changes

In the next week or so, all SW members will be receiving a survey (email), asking each member if they wish to accept (integrate) or not accept (not integrate) the proposed NSPE changes. If the majority of WSPE accepts the proposed changes (decides to integrate with NSPE changes), there will be a standardization of NSPE sections among all 50 states.

Please review the survey materials and let us know your opinion on this issue as WSPE must reply to NSPE in the coming months to integrate or not integrate. We will be asking for your support!

2017 Spring & Fall Golf Outings

Last June, some 20 members of ASIS and WSPE SW participated in our annual golf outing at the Bridges Golf Course in Madison. The weather was picture perfect although a little on the hot side. Five teams of 4 teed off starting at 12:00 noon. No ACEs but a lot of birdies and pars and everyone had a great time. Plenty of prizes, food, beverage and of course, great comradery. Thanks, Norm, for putting together another great golf outing!

On Wednesday, September 13, Norm Arendt is arranging another golf outing:

- Time: 12:00 noon
- Date: Wednesday, September 13
- Place: Bridges Golf Course, Madison

Same format as last spring, please contact Norm Arendt for registration details. See you on the course!

Chapter Officers

President

John Brome, P.E.

Wisconsin Society of Professional Engineers

Annual Fall Meet and Greet

Please join us on Tuesday, September 19, at the Mid-Town Pub in Middleton for our annual Meet and Greet!

- Time: 5:30 – 7:00 pm
- Date: Tuesday, September 19
- Place: Mid-Town Pub, 2605 Allen Blvd Middleton, WI

This is a great opportunity for you to meet our members, snack on some popcorn and enjoy a cold beverage. We always have a great time at this event so please come on out and join the fun!

“Active Shooter” Presentation

Norm Arendt will provide a 1-hour presentation pertaining to the topic of “Active Shooter”. In his presentation, Norm will explain what to do under that circumstance if you’re armed or unarmed. How you react to this unfortunate and dangerous circumstance can mean the difference between life and death.

Please join Safety Professional Norm Arendt for this very important presentation:

- Time: 12:00 noon
- Date: October, date TBD
- Place: Pizza Ranch, Sun Prairie

Fall Technical Tour

This year, we are tentatively planning a technical tour at Voltex Optics in Barneveld, WI. This is a technology very different than we have held in years past and should prove to be very interesting.

Please join us this October; time date and location details to follow in the October Newsletter.

Mathcounts

Once again, it’s time to ask for donations to our regional Mathcounts organization. If you can please make a \$5, \$10 or \$20 contribution. They would be greatly appreciative! Please make checks out to “Mathcounts” and send it to our chapter: P. O. Box 994 Janesville, WI 53547.

Alternatively, we will be more than happy to accept non-monetary contributions that will be raffled off for the competing mathletes at the February competition in Madison.

Please help a great cause which really makes a DIFFERENCE!

Webinar

On October 20, the SW Chapter is co-sponsoring a Webinar on *Technology Options for Groundwater Monitoring Programs*. Registration is \$20 for 3 PDHs. Online registration and information is available at: <https://www.eventbrite.com/e/october-2017-wi-aipg-monitoring-webinar-tickets-35638494697>
